## Google Chrome Terms of Service

These Terms of Service apply to the executable code version of Google Chrome. Source code for Google Chrome is available free of charge under open source software license agreements at <http://code.google.com/chromium/terms.html>.

### 1. Your relationship with Google

1.1 Your use of Google's products, software, services and web sites (referred to collectively as the "Services" in this document and excluding any services provided to you by Google under a separate written agreement) is subject to the terms of a legal agreement between you and Google. "Google" means Google Inc., whose principal place of business is at 1600 Amphitheatre

## "20 Things" Illustrated Guide

What's a cookie? What is HTML5? How do I protect myself on the web? And most importantly: what happens if a truck runs over my laptop?

[20 Things I Learned about Browsers and the Web](#) is a handy online guide for anyone who's curious about how browsers and the web work.
